REMARKS

The Office Action mailed February 3, 2006, has been carefully reviewed and Applicant notes with appreciation the identification of allowable subject matter.

By this Amendment, claims 1-10 have been amended and new claims 11-15 have been added. Accordingly, claims 1-15 are pending in the application. Claims 1, 5 and 11 are independent.

The Examiner objected to the drawings and the specification as containing informalities which Applicant has corrected herein.

The Examiner rejected claims 1-10 under 35 U.S.C. 112, second paragraph, as being indefinite. By this Amendment, claims 1-10 have been amended to bring them into conformity with 35 U.S.C. 112, second paragraph. Withdrawal of the rejection is requested.

The Examiner stated that claims 1-10 would be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. 112, second paragraph. With the amendments set forth herein, claims 1-10 are in condition for allowance.

New claims 11-15 are also in condition for allowance for the same reasons as claims 1-4 and 9. New claim 11 generally corresponds with claim 1, but without specifying that each of the

craft and decoy have two antennas. Favorable consideration and allowance thereof is requested.

With the foregoing amendments and remarks, it is respectfully submitted that the present application is in condition for allowance. Should the Examiner have any questions or comments, the Examiner is cordially invited to telephone the undersigned attorney so that the present application can receive an early Notice of Allowance.

Respectfully submitted,
